

# ZAMAK KNEZA LAZARA

Koznik je jedno od najočuvanijih srednjovekovnih utvrđenja u Srbiji. Smešteno nedaleko od Vrnjačke Banje u okolini planine Goč, oslikava bogatstvo istorijskog i kulturnog nasleđa regije. Podignuto je u vreme vladavine kneza Lazara Hrebeljanovića (1371-1389) i svedoči viteškoj prošlosti Srbije. Tvrđava Koznik se prvi put u izvorima pominje u Lazarevoj povelji manastiru Lavra svetog Atanasija na Svetoj Gori. Povelja je doneta u “plemenitom gradu Kozniku”, 8. avgusta 1381. godine. Brojne legende i narodna predanja koja okružuju tvrđavu ostale su da podsete na neka davno zaboravljena vremena.
